We live in a world that tries to define the roll of the man. Whether you are a father, brother, or son, our roles in our families has already been designed by God.

Do we know what those roles are? What is God truly calling us to be?

Keynote Speakers

**Being a man of
God in the Family**

Fr. John Tonkin

**How do
Men Pray?**

Fr. Ethan Moore

It's a struggle to balance being a father, bread winner, businessman, coach, friend, husband and spiritual leader of your family. With each other's support and shared accountability, it becomes a little easier. If we surrender our day-to-day problems to God we will be better fathers, husbands and friends. Through Christ, we will be better men. **We welcome you to join us on this journey!**
