Dear Parents,

This monthly freshmen faith sharing group will aim to keep the kids connected to the parish and continuing to learn about our faith. In a time when the transition to high school comes with some uncertainty and figuring out who they want to be, our message at our monthly meetings will be one of love, acceptance and belonging.

- ◇ May these meetings be another touch stone to Jesus who wants them to know they are cherished.
- ◇ These meetings serve as the continuing religious education for our ninth graders not in Catholic school, though ALL PARISH NINTH GRADERS, in GIFT and not, are encouraged to come.
